

THE GREATER FAITH CHURCH OF DELIVERANCE

NEXT MOVE BEST MOVE | CHURCH CAPITAL CAMPAIGN

Dear GFCD Member,

Greetings in the name of Jesus Christ! We wanted to share some upcoming news. It's with great joy that we launch our "Next Move Best Move" Church Capital Campaign!

As you may know, GFCD is seeking to build a house of worship to call home. Currently we do lease a commercial space and have to adjust all events according to business rules. We believe the next step for GFCD is to move and construct a permanent campus that will help overcome significant obstacles we face now. This will allow us to facilitate a greater level of ministry and create greater impact in our community. Not having a permanent place to achieve our God-given vision and mission limits our excellence, opportunities, resources, and growth. Being limited means we miss out on reaching people who matter deeply to God. Our unwavering vision and mission means we cannot allow these obstacles to remain. We declare, "Next Move, Best Move!"

Next Steps: We're asking each member of GFCD to commit to a Kick-start Pledge of \$850.00. A one-time gift that will help GFCD in our next steps in purchasing a new church facility. "Kick-start" giving is essential to the success of the "Next Move Best Move" Church Capital Campaign. Partner with us as we're accepting Kick-start pledges now.

To contribute, please visit us online and use our secure donation form at www.thegfcd.org/nextmovebestmove or mail in your pledge in. Every donation, no matter the size, makes a difference and takes us one step closer to making the Next Move, GFCD's Best Move!

If you have questions about the "Next Move Best Move" Church Capital Campaign, please feel free to send us an email at gfcchurch@gmail.com.

We love and value each and every member of our ministry. Thank you for your prayers and continued support!

Sincerely,

Pastor Mark Q. Carter Sr., Lady Kimberly R. Carter and The Greater Faith Church of Deliverance Family
